Dear Mr Geller

I write on behalf of the Sir Winston Churchill Archive Trust, which holds the Churchill Papers for the Nation, to thank you for your incredible generosity in funding the *Churchill for Schools* project. Our core objective is to see the collection made available for education and research at all levels, and you have just ensured that it is accessible to generations of school children around the world. This is a huge and a significant undertaking and could not have been contemplated without you. We will now do all we can to promote the use of the site.

Yours sincerely
