*In aid of Oxfordshire Charities and Music Therapy. Registered Charity No: 1021044*

## Churchill Memorial Concert at Blenheim Palace Friday 29th May 2015.

In the presence of the Duke and Duchess of Marlborough, the guest speaker this year will be Brian Mulroney, Lawyer, Politician and Former Prime Minister of Canada.

The purpose of this concert is to celebrate the life and achievements of Sir Winston Churchill and to benefit national and local charities.

### The Churchill Memorial Concerts Trust

The Churchill Memorial Concerts Trust was established in 1993 to expand the range of distribution of the proceeds of the Churchill Memorial Concerts. These concerts were conceived as a means of providing funds for the Music Therapy Charity and continued to do so exclusively until 1993. It was then decided to bring other charities into the net whilst continuing to support Music Therapy Charity, the policy of the Trustees being that the charitable purposes should be primarily (though not exclusively) for Oxfordshire and be of the smaller variety, for which local funding is a crucial element.
